## alisun 500+

What defines excellence? That was the question when we set out to design the Alisun 500+. By combining a perfect design with state of the art tanning technology we achieved true excellence. Equalizing and ergoshaped acrylics, AquaBreeze, AcScent Aroma, full body airconditioning, MP3 Audio connection and the signature Alisun tunnel shape - the result is the Alisun 500+, a sunbed unlike any other we have ever built.

# Perfection in black and white

The Alisun 500+ is available in two stylish colours. Go for powerful black to impress your customers with the mere sight of it. Or surprise them with the subtle and calm appearance of the white version. Either way, the Alisun 500+ provides nothing less than excellent results.

## Specifications

Type	542 S	542 F	542 XF	542 XXF
